| CL-216-ARB | 3/8 | .3745 / .3750 | 11/16 | 30 |

These modular units consist of a threaded body installed in a fixture, which holds a precision floating plunger. This plunger has a reamed hole, available in a choice of three diameters, that accepts any height of our standard press-fit-type Rest Buttons.

Made in USA. U.S. Patent No. US20190232446A1.
